

What is the YPB & why should you join?

We are all about justice.

We are a group of professionals that support the mission and programs of Legal Aid of Western Missouri through social events, fundraising initiatives, and community outreach efforts.

We are a diverse group.

Our membership is targeted to a wide variety of professionals and entrepreneurs from various occupations, social groups, and geographic locations around Kansas City. Most of our members are ages 25-40, but membership is open to anyone.

We want to make a difference.

OUR GOALS

- Increase awareness of Legal Aid services and community-building activities
- Expand professional horizons through opportunities to serve and network with a diverse group of professionals
- Provide professional development and continuing education opportunities
- Affect change in the Kansas City metropolitan area with a fun, unique and social group of people.

Ready to join?

It's easy — simply provide us with some basic information, along with your \$50 annual membership contribution. By joining, you agree to the Young Professionals Board member commitments, which are listed on the back of this sheet. (Your personal membership dues do not count toward your \$200 annual fundraising goal.)
